# WHAT EACH SESSION INCLUDES...

## ONE

### *consultation*

I believe in the importance of getting to know my clients. Together, we'll craft a personalized session that aligns with your vision. This includes consultations via email, phone, or video, where we'll discuss everything from locations and outfits to timelines and vendor recommendations.

## TWO

### *high-res images*

Each session comes with a custom online gallery featuring fully edited, high-resolution images and unlimited downloads, allowing you to cherish your photos without compromise.

## THREE

### *printing rights*

Every personalized gallery has its own online print store to purchase gifts and prints directly from the site. You'll receive full rights to print your images at your printing lab of choice, so you can create lasting memories in any format you choose.

# WANT SOMETHING MORE EPIC?

## *possible add-ons*

- **Studio Rentals** – Looking for a controlled environment or a different setting? Studio rentals are available to enhance your session and provide a unique backdrop.
- **Extended Session** – If you need more than what Package III offers, you can add additional shoot time, outfit changes, or extra locations to fully capture your vision.
- **Expedited Photo Delivery** – Need your photos sooner? Opt for quicker delivery, with a turnaround time faster than the standard 1 month.
- **Destination Sessions** – Dreaming of a session in a stunning location like Hawaii, California, or the Florida Keys? I'm available for travel and excited to capture your love in beautiful destinations. Simply cover airfare and a 2-night stay, and I'll handle the rest!

# TIMELINE
